From Hertford

Take the B158 from the roundabout on Gascoyne Way, signposted for Brickendon, Essendon, County Hall and the police station.

Follow the B158 past County Hall (turning left from Bullocks Lane into Hornsmill Road) and, ignoring the left turn to Brickendon, follow the road under the railway bridge and out past the garden centre towards Hatfield.

Beyond the right turn to Hertingfordbury, St Mary's Lane, take the next left turn from the B158 into Bayford Lane signposted for Bayford and Brickendon.

Follow the lane up the hill and past St Mary's Church on your left. As you come to the centre of the village, bear right, signposted for Epping Green, and continue past the Baker Arms on your left. Look out for the right turn into a private road with a prominent sign for our school. This is the normal vehicle and pedestrian entrance. We are on the left a short distance down the road, behind the houses.

From Hatfield and Welwyn Garden City

Take the A414 to the Holwell Lane roundabout. Leave the A414 and take the B1455, Holwell Lane, signposted for Essendon and the B158.

At the T junction just after crossing the River Lea, turn left along the B158, signposted for Hertford. Follow the B158 until you see the right turn into Bayford Lane, signposted for Bayford and Brickendon. Take that turn and follow the instructions above.

From Broxbourne

From the A1170, High Road Broxbourne, turn onto Bell Lane (signposted for Paradise Wildlife Farm) and follow the road up the hill as it becomes Baas Hill and crosses the A10. Keep going on what is now White Stubbs Lane past the Hertfordshire Golf and Country Club, Highfield Veterinary Surgery and Paradise Wildlife Park on your right, and on beyond Bencroft Wood and Kingfisher Nurseries on your left.

Soon after Ashdene Farm on your left, take the right turn into Ashdene Road, signposted for Bayford and Hertford. After about 1 mile you will come in to the village.

Look out for the village hall on your right, and the private road into the school is the next left turn (easy to miss from this direction as the school sign can't be seen).
