# WRAP AROUND CHILDCARE

BAYFORD CE PRIMARY SCHOOL

Foundation Play provides peace of mind to all parents and carers by providing a safe and stimulating environment where children can play, have fun and learn whilst being cared for by our qualified and experienced staff.

We understand what parents expect for their children when choosing childcare, so we provide a comprehensive range of services that reduces the pressure on parents and provides maximum benefits for the children. When you enter a Foundation Play session you will sense this difference because we are uncompromising in our commitment to best practice in everything we do.

Our aim is to continue to provide peace of mind to all parents and carers by maintaining a safe learning environment in which children are happy and thus raising the standards in childcare provision. With our three E's – Engagement, Encouragement, and Enthusiasm – we ensure that every child actively participates, feels supported, and embraces each session with excitement and enthusiasm. It's our commitment to keeping Everyone Active, All the Time!

## **Foundation Sports & Play – Breakfast & After-School Childcare Club**

A safe, active, and engaging environment before and after school

At Foundation Sports & Play, our Breakfast and After-School Childcare Clubs offer a warm, structured start and end to the school day – balancing fun, movement, and mindfulness with calm, supervised downtime. Our goal is to provide children with a safe, welcoming space where they can play, learn, and unwind, all while giving parents peace of mind and flexible options.

### **Breakfast Club (Before School)**

**7.30am - 8.50am**

Our morning sessions provide children with the perfect start to the day.

Each session includes:

- **A healthy breakfast (e.g. cereals, fruit, toast) to fuel their learning**
- **Gentle, supervised morning games and social activities**
- **A calm, settled environment to get into the right mindset for school**

*Children are then safely escorted to their class by our team.*

### **After-School Childcare Club**

**(3:15–5:15pm / 4:15–5:15pm)**

Our after-school childcare is designed to be fun, flexible, and enriching – a space where children can relax, socialise, and enjoy meaningful activities at the end of their school day.

Each session includes:

- **A variety of play-based activities: board games, LEGO, imaginative play, crafts and more**
- **Light snacks to recharge**
- **Opportunities for outdoor games promoting health, wellbeing and exploring.**
- **Calm zones for children who prefer quiet time or need to complete homework**

We also run themed weeks throughout the term, celebrating world events, seasonal highlights, and cultural festivals– sparking curiosity and creativity through special activities, storytelling, themed crafts, and group games.

Examples include:

- **World Book Day, Remembrance Day, Chinese New Year, Sports Week, Christmas and more**
- **Creative arts & crafts, music, and themed challenges**

This variety ensures every child has the opportunity to explore their interests and try new experiences in a safe and supportive environment.

### **Why Parents Choose Us:**

- Fully qualified, caring staff with safeguarding at the heart of everything we do
- Flexible booking options including ad hoc care for busy schedules
- Tax-Free Childcare and childcare vouchers accepted (for childcare sessions)
- A tried-and-tested structure that works successfully in our partner schools
